WHAT IS ST. CLAIR HIGH SCHOOL?

St. Clair High School
St. Clair, Michigan

Life is a hallway
with many passages
to explore and
doors to open.
It may have unexpected
turns or deadends.
Each of us has our own
hall to walk, but
We will always remember
the years we were
part of the life of
St. Clair High School.

A. Our Principal, Mr. Robert Bolla. Mr. Bolla is in his 5th year at St. Clair High. He has many jobs to do and this year, after the return of the sports program he took over the duties of Athletic Director too. B. Mr. Vincent, because of the milage failure, was our only counselor in '79-'80. He had to do all the scheduling (with Mr. Bolla's help), take care of ACT & SAT forms, fill in college applications and many other things we couldn't have done without. We would like to thank both these men for their hard work and dedication.

Office Brightened By Secretary's Smiling Faces

Well, their faces are smiling most of the time anyway. The secretaries all work very hard, and though they may do things that really bug us (like those unexcused absence slips) they're mostly a group of nice ladies who are willing to help if you have a problem with lockers, schedules, announcements, grades and lots of other things. The school couldn't get along without them. A. Mrs. Levy, secretary to the principal, works on the daily job of absence slips. B. Mrs. McCartney, only 4'10" tall, but big enough to handle everything from the gym at lunch time to substituting for any teacher. C. Mrs. Rocker takes time out from checking schedules to pose for this picture.

FALL SPORTS

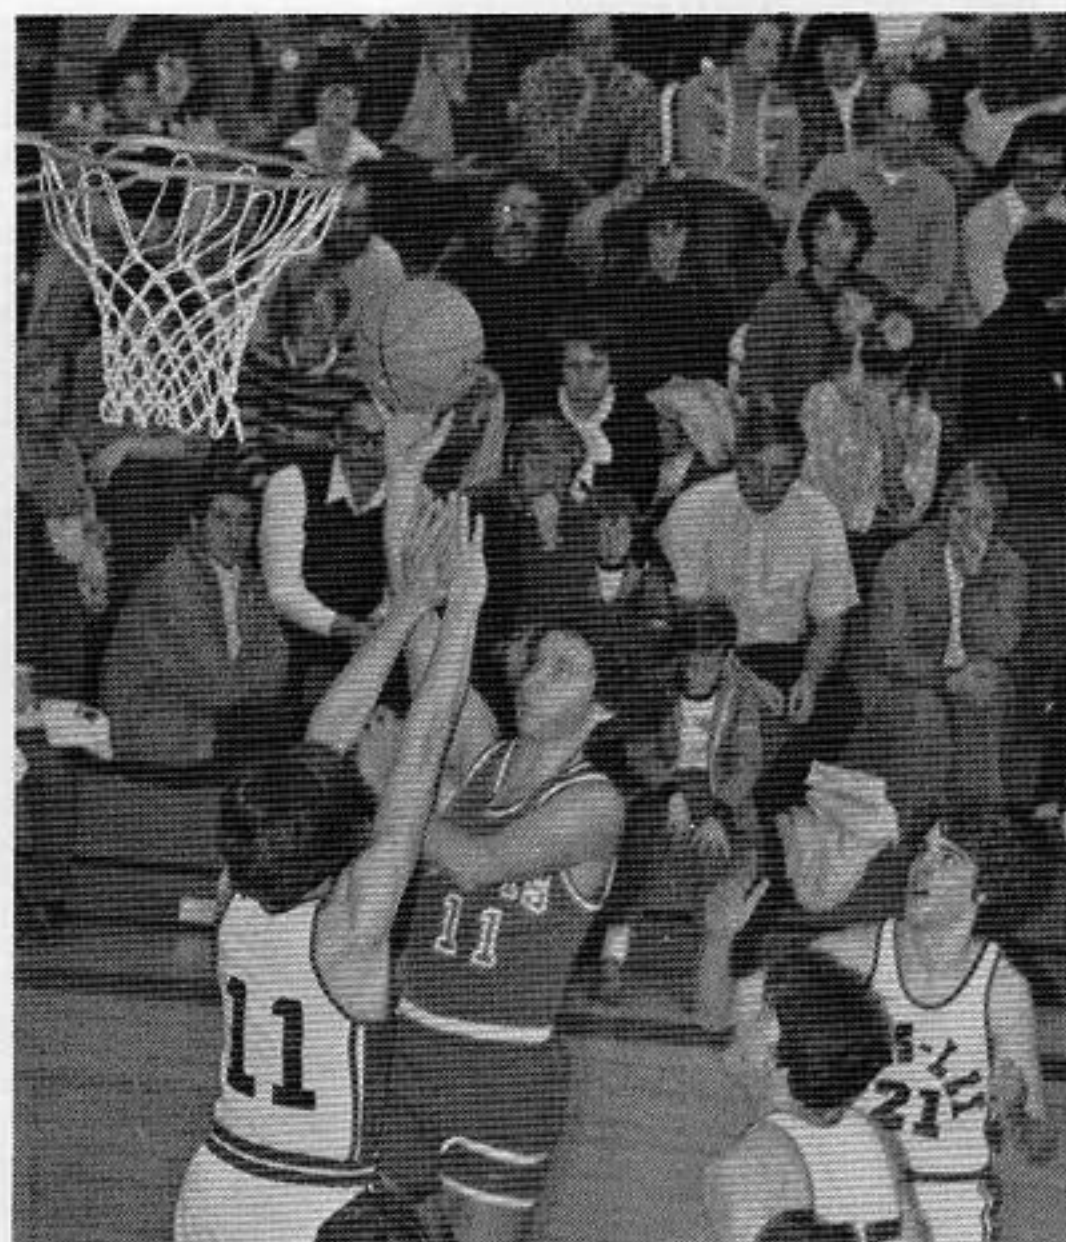

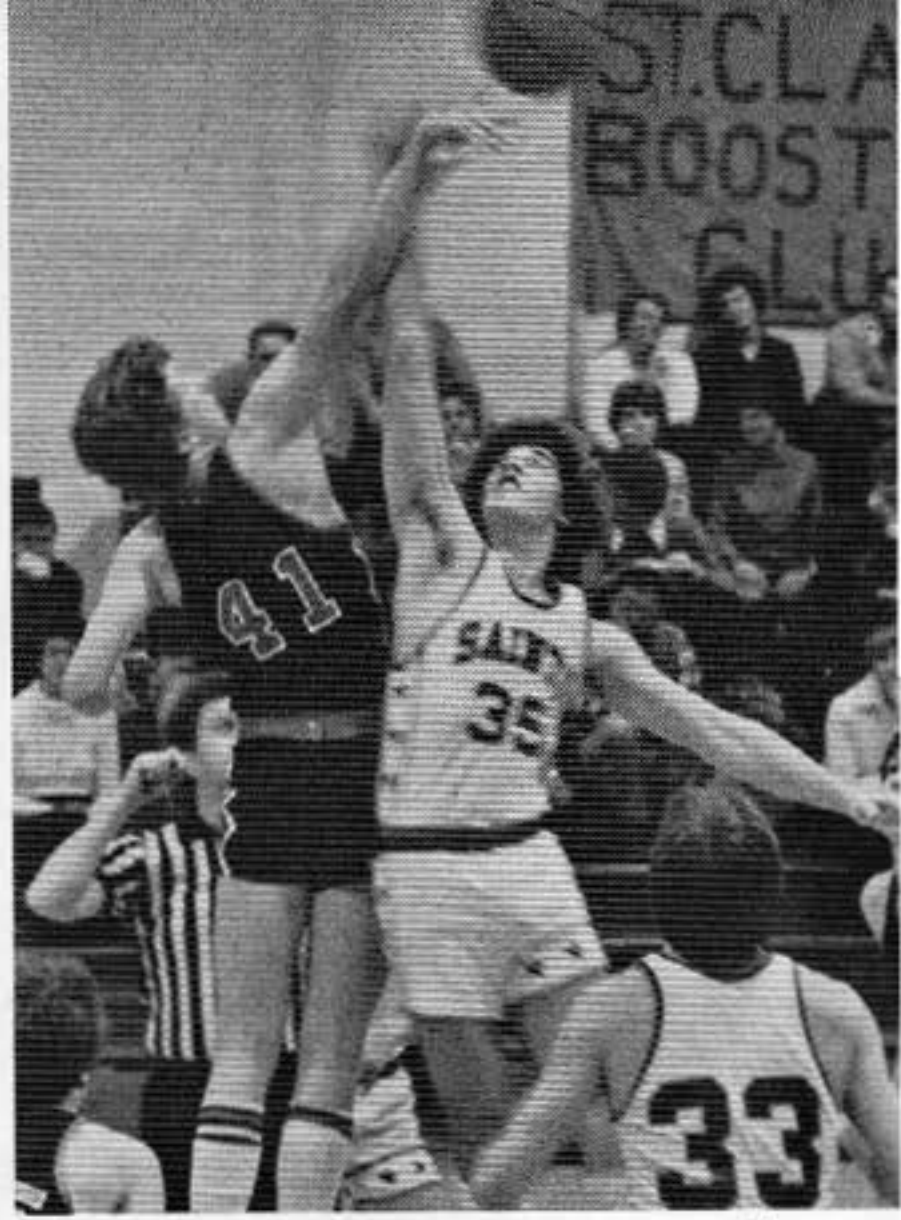

Saints *show potential*

The St. Clair Varsity Basketball team had a long, hard season this year. After a late start the Saints lost all but one of their games in December. Things didn't go much better in the second part of the year as the Saints won only 4. Though it sounds bad, the games they won were the ones St. Clair fans love to win; Marysville and Marine City, beating both teams twice. They also topped off the season with a victory over PHC, there. With 10 juniors on the team this year, next year's varsity has a good shot at the title, and we wish them lots of luck. A. JV Saints Finish Strongly

Our JV cagers had a pretty good season in '79-'80, winning many games, often pulling out a victory in the closing minutes of the game. This year's team had not only sophomores, but some freshmen who would not have otherwise been able to play this year. Coach Albrecht said at the beginning of the season that the boys were going to have a lot of fun and judging by their record and spirit, we think they did.

The Volleyball team had a rough season this past year. Though the girls, under the direction of Coach Sharon Whittaker, fought hard they were able to win only a few games. Laurie Desmet was team captain and did a good job as floor leader. With the young team we had this past year, St. Clair can look forward to some good Volleyball for the next several years.

JV Has Winning Season

The JV Volleyball team did something that St. Clair teams found difficult to do this past year, they finished the season with a winning, 9-6 record. The team, composed of freshmen and sophomores, was coached by Mr. Steve Dunker and really enjoyed the entire volleyball season. The girls worked hard at practice, and because of this played as a team throughout the season which enabled them to do as well as they did. Congratulations on a fine season. A. Saints' Clairvoyant Staff

The SAINTS' CLAIRVOYANT staff turned out the school paper twice a month for the students to enjoy. The paper ran special columns such as; Christmas and Valentine Classifieds for people to send to their sweethearts and friends, school surveys, had prize drawings and generally tried to keep us informed. The staff had a lot of fun putting out a paper, but it also took lots of hard work and creativity and we congratulate the staff on a job well done.

Student Council

This year's student council, despite problems with the administration, was an important part of school government. They sold calendars, sponsored a dance and raffled off two basketballs during spirit week. They were a fine group of young people and a credit to their school.

Senior Steering Committee

This year's senior class steering committee, under class president Alice Huntoon, had a very busy year. Senior year, normally a time where many plans had to be laid, became even tougher after the millage failure. But rather than sitting back and just taking the year as it was this group decided to do something about it. They had money-raising projects such as the Sweetest Day and Christmas flower sales, M&M Sale, and Dances. With the money from these projects they were able to bring back the Senior Play and the Prom. The committee included: back row (L to R)—Linda Nesbitt, Pam Mollan, Colleen Swiacki, Julie Levy, Dave Oakley, Cheryl Pyle, Deb Starr, Jenny Beach, Arlene Goodell. Front Row (L to R)—Kathy Modin, Terri Winkler, Alice Huntoon, Diane Johnson.

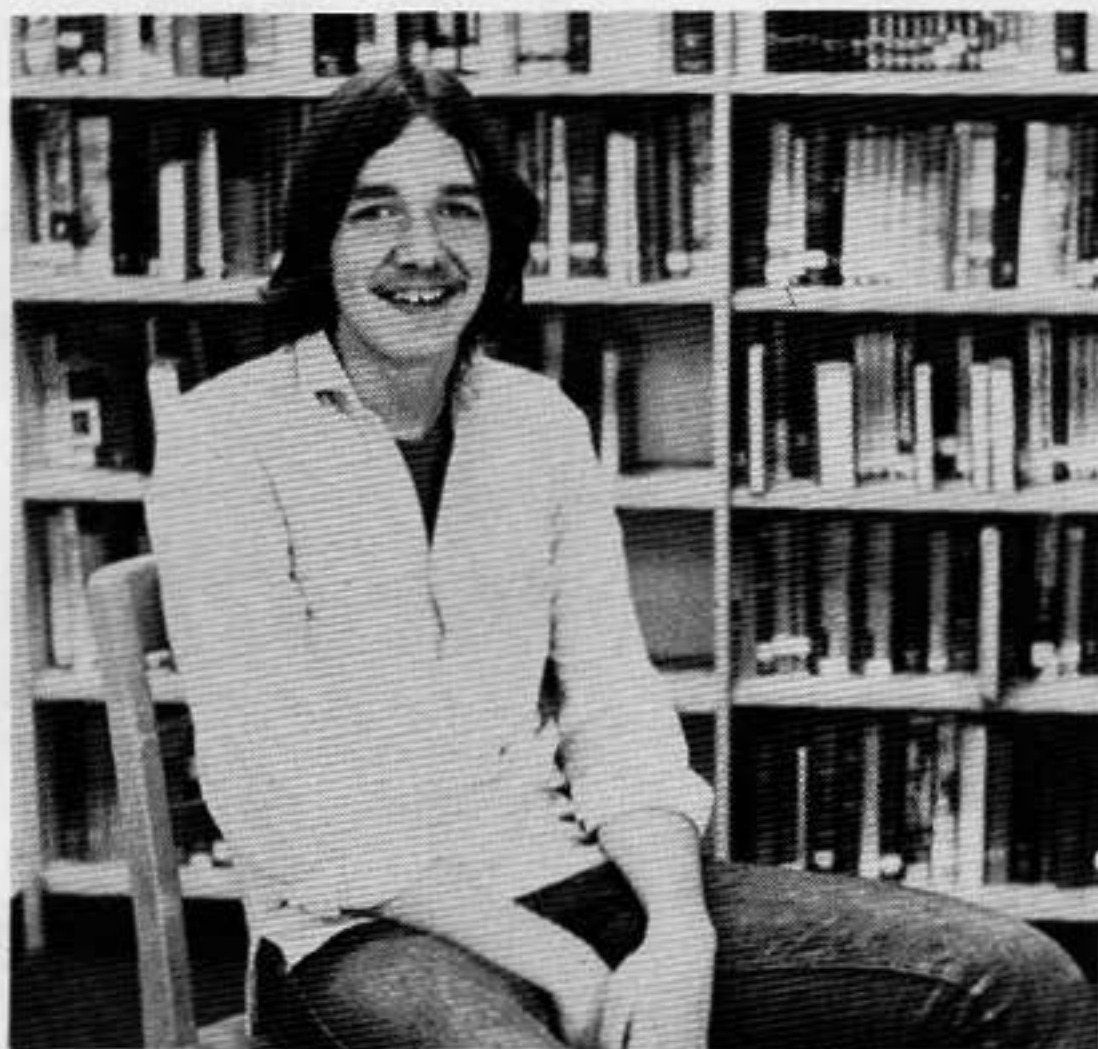

Junior Steering Committee

The junior class steering committee was also busy this year putting most of their efforts toward the prom, held March 15th. To raise the needed funds they sponsored a magazine sale, the Valentine flower sale, a Christmas Dance, and they sold "munchy cruncy Crackle bars." The group worked hard and their final project will be to buy the flowers for the graduating seniors. The committee, led by class President Tonia Howrigan are: back row (L to R)—Mary Westrick, Lori Johnson, Sandy Stoecker, Diana Donaghy, Desiree Valentine. Front row (L to R)—Florence Nesbitt, Paul Roegner, Tonia Howrigan, Dave Currier.

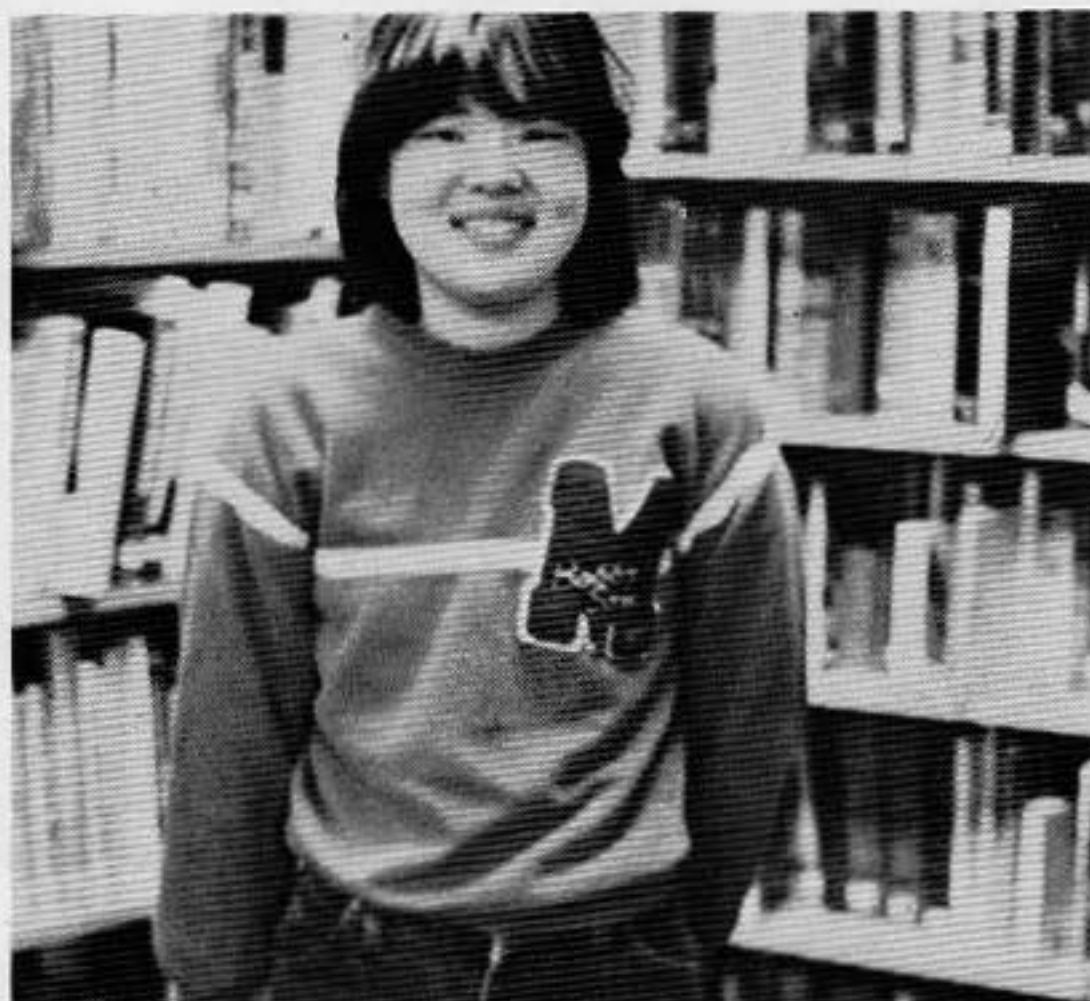

Exchange

The YFU, Youth For Understanding, is a program that deals with foreign exchange students. They find host families for the students as well as help raise money if it is needed for the trip. At the right, the local YFU is meeting with Sophomores and Juniors who are interested in going on the foreign exchange program. Both the people who came to St. Clair from foreign countries and those who visited other countries attended the meeting. They told of the experiences they had encountered through the trip and recommended that if anyone ever had the chance to go, take it.

Hiroko Miyazaki came to us from Chiba, Japan, near Tokyo. She arrived in the U.S. on August 23rd and after a short orientation at MSU, came to St. Clair to spend the year with Holbrooks. Hiroko says she thinks schools there are more strict, and that she would like to come back to the U.S. in the future. After Hiroko goes home around the first of July, she plans to finish school and hopes to attend college to become a secretary. Back home she lives with her parents, who both teach, and a sister. We hope Hiroko has enjoyed her stay and will always remember us.

Roosendaal, Holland is the home of Stefaan Bekkers. He arrived in Michigan on the tenth of August in '79. From then until the first of February he stayed with a family in Rochester. Now he and Hiroko are staying with the Holbrook family. In August when Stefaan returns home to his parents, two brothers and two sisters, he will be ready to start his last year of high school. Like most seniors, Stefaan is not sure of what he would like to do when he graduates high school. Hopefully he will have learned more about life in the States from the experience as an exchange student than he could possibly learn from books.

Students

Thore Hansen (Too-ra) has attended St. Clair High School since September. He arrived on August 19, 1979 and plans to leave sometime in August of '80. Thore is staying in St. Clair with Bill and Linda Florence, who have no children as of now. At home he lives on the coast in Vormedol, Norway with his parents, 2 brothers and 2 sisters. When back in Norway Thore plans to attend his last two years of high school then go on to college. When asked about his stay, he commented that he was very lucky to have a great host family and that he has enjoyed his stay in America.

In her much enjoyed trip to Germany, Sarah Cooper stayed in the town called Zetel, which is located in the northern part of Germany. She stayed with the Quathammer family and their 3 teenage children. Although the parents spoke no English and the children spoke little, Sarah said it wasn't that hard to communicate with them. She was gone for 9 weeks, with one weekend spent with relatives from her mother's side of the family in Dortmund. Then for one week she and Kim Frees stayed in Holland. She is looking forward to going back to Germany in the future for another visit.

Kim Frees spent a most interesting nine weeks during the summer of '79 with the Wubbler family in Goldenstedt Germany. Her adopted family consisted of: a sister Gabrielle (16), a brother Wilhelm (18) and three married brothers and one married sister who visited her often. Gabrielle taught Kim many German phrases and Wilhelm turned out to be a terrific brother to have. Some of the exciting places she visited were: Buckleburg—a town known for its castles; Bremen—toured and spent three nights in this big city; the North Sea and Friesland—home of her ancestors. Known as the Americana she made many friends and hopes to be able to return to Germany in the near future.

YEARBOOK!!

The yearbook you are now reading was produced under very special circumstances. Because of the millage failure the staff had to do everything without faculty supervision. With the help of Mr. Steve Carlson, Inter Collegiate Press Representative, and Mrs. Mary Koch, we went out and got ads and prepared the forms needed to do the book. After months of HARD work we completed it, but it couldn't have been done without the help of the following people: Photographers: Chris DiNardo, Dave Hawley, Mark Kiddoo, Dave Lukasak, and Tod Taylor, Lay-out staff: Chris DiNardo, Kim Frees, Dave Hawley, Julie Levy, Lousia Long, Ann Miller, and Julie Sullivan, Film Developing: Dave Oakley, Business Manager: Laurie Desmet, General Everything, Mrs. Koch, IPC rep.: Steve Carlson, and Errand Runner: Mary Ann Koch. We sincerely hope you enjoy this yearbook, thank you for supporting us!

SPIRIT WEEK

A

C

D

Although the spirit of spirit week cannot be captured in words or pictures, the memory of it can be refreshed by them. Remember losing your button by talking to the opposite sex, or how uncomfortable wearing clothes backwards was? Then of course there is the fun of finding leather coats and saddle shoes for '50's day. While afterwards trying to get the grease out of your hair or the red lipstick off of your mouth. This year's penny contest had collected 174.50 dollars worth of pennies. With the contests totaled, Seniors were first, with the sophomores close behind, and then the Juniors after them.

Teacher Aides

One of the most ignored, but necessary groups at St. Clair High School are—Teacher aides. Those dedicated seniors who give up an hour of their day to help a faculty member. The "T. A.'s" do everything from correct tests to serve as dummies for first aid to sit in the cafeteria and talk. Occasionally they are even called on to take over a class for a few moments. Many teachers really depend on the aides and would have a lot more to do without them. A. Tom Shell and Bob Tatro take out some waste baskets. B. Julie Sullivan and Dave Oakley have a profound discussion in the cafeteria. Other people who slaved as teacher aides were: Mike Dodea, Tim Faucher, Frank Hall, Ann Stoecker, Brenda Yeip, Gary Verbeke, Kim Frees, Tammy Faucher, Sue Burkhardt, Jerry Lamb, Mary Pearl, Jennie Beach, Patty Markel, Cindy Reichle, Sharon Thueme, Pam Mollan, Patty Anderson, Delores Horn, Cheryl Pyle, Marybeth Machleid, Alan Kaufman, Mitzi McCallum, Tom Eisen, Maureen Maloney, Rhonda McCabe, Arlene Goodell, Shari Mrosewske, Sherry Victory, Barb Atkins, Veronica McCabe, Julie Levy, Carrie Westrick, Sylvia Wenzel, Steve Koch, Renee Rollet, Terri Winkler, Renee Tache, Ann Miller, Sharon Gostiaux, Kathy Modin, Diane Johnson, Sue Hendrick, Sue Kaczperski, Russ Balhoff, Pam Mills, Alice Huntoon, Linda Nesbitt, Bill Weinert, Sheila Rossi, Chris Ofeno, Colleen Swiacki, Jackie Gray, Debby Starr, Sarah Cooper, Cindy Tinsey, Mark Gauthier, Bill Riley, Andy Galante, Chris DiNardo.

*Should your Senior
Picture Be Different?*

By all means your personal senior portrait should be different from everyone else's. This may mean special lighting, clothing, and poses—whatever it takes to capture you at your best.

No assembly line, please!

At our studio we're prepared to put out that special effort to make your senior picture one that "captures the real you", and one that is worthy of this important event in your life!

Call us and see the difference!
